DESTRUCTION OF DEPOT COMPLETE

Norfolk May Now See Its Long Desired Union Station Built.

[Special to The Times-Dispatch.] NORFOLK, Va., October 14.—While the damage to the Norfolk and Western depot by the early morning fire is practically complete, and means that the structure will have to be entirely rebuilt, the officials declare that there will be no delay in the arrival and departure of trains, either passenger or freight. The loss is admittedly heavy, and the amount of insurance carried is not known here, the records and policies being held in the main offices at Roanoke.

The cause of the fire is undetermined, although it is thought to have been the result of defective wiring somewhere about the building. But for the fact that the yard at this point is congested and in close proximity to valuable warehouses, some of the freight cars could have been saved by the removal of the burning cars, but this would have been done at the danger of igniting larger buildings.

It is believed that the destruction of the depot means that in a short time Norfolk will possess an up-to-date and commodious union depot, with at least two roads entering it, if not all. That the Virginian and Norfolk and Western will unite in a passenger depot is almost assured, and the probability is that the Norfolk and Southern will also be induced to enter. By the use of the belt line the other roads entering in Portsmouth could also enter the structure, located at the East Main Street terminus, near the business sections, and with the properties of both the Virginian and Norfolk and Western to draw from in securing area, there will be plenty of room for a large structure.

Mrs. Virginia Langhorne, of Lynchburg, has not yet regained her senses. LENGTHY SESSION ENDS CONVENTION

Grand Camp of Confederate Veterans and Sons of Veterans Adjourns.

NO MEETING PLACE CHOSEN

Selection for Next Year's Convention Left to the Grand Commander.

[Special to The Times-Dispatch.] DANVILLE, Va., October 14.—Without selecting a place for meeting next year, the Grand Camp, Confederate Veterans, which has been in session here ever since last Tuesday morning, adjourned at 1:20 o'clock this afternoon, after a lengthy business session at the Hildre Street Tabernacle.

The meeting was called to order by Grand Commander Ewell at 10 o'clock, and a greater part of the morning was taken up with the reading of reports from the various committees.

Fontaine W. Mahood, of the Washington Camp, Confederate Veterans, addressed the veterans and was given close attention by his hearers. He urged for co-operation on the part of the Confederate Veterans with the Sons of Veterans in making plans for the perpetuation of the memory of the gallant heroes.

Among the poems read was one written by Colonel Duval Porter, of Cascade, and read by Captain R. S. Parks, of Lynchburg.

Resolutions were offered thanking the people of Danville for their hospitality during the meeting of the Grand Encampment.

Owing to the fact that no invitation for the next meeting place was offered, the selection of a meeting place will be selected by the grand commander and his advisory committee.

The Sons of Veterans. The United Sons of Confederate Veterans held their session in the auditorium of the N. M. C. A. this morning, with a large number of delegates in attendance. Reports from the various committees were submitted and resolutions were adopted protesting against the irregular action of the Memphis reunion in applying a 50-cent per capita tax instead of the rate of 25 cents. This protest is to go to the executive council at its next meeting in Mobile. Resolutions were adopted thanking the various organizations in this city for the hospitality extended them while in the city.

Many entertainments have been given to the visiting veterans, Sons of Veterans, sponsors and maids of honor by the people of the city. To-night the tournament ball was danced, and quite a large number remained over to attend the affair.

NAVAL OFFICER COMMITS SUICIDE

Lieutenant Richter Hangs Himself on Board the Gunboat Marietta.

[Special to The Times-Dispatch.] HAMPTON, Va., October 14.—Lieutenant Carl Albert Richter, United States Navy, committed suicide by hanging himself in his quarters on the gunboat Marietta, in Hampton Roads, early to-day. The lieutenant was senior officer on the gunboat, and his suicide has caused a profound sensation among the officers and men.

Lieutenant Richter was at the Hotel Chamberlin until midnight Wednesday. He had as a guest for dinner a young woman well known in navy circles and spent most of the evening with her.

When found dead by the orderly on the Marietta this morning, Lieutenant Richter's body was swinging from a peg in the wall of his room. He used a leather strap for his rope. The officers on the gunboat say that they cannot give a reason for the lieutenant's desire to end his life.

He was born in Iowa, but was appointed a cadet in the Naval Academy from Wisconsin. He was only recently advanced from ensign to second lieutenant. He went around the world with the Atlantic fleet as an ensign on the Illinois.

SHOOT CHICKEN THIEF. Greenbush Farmer Seriously Wounds Midnight Marauder.

[Special to The Times-Dispatch.] GREENSBURGH, Va., October 14.—Hearing a commotion in his henry last night, and thinking thieves were at work there, Edward Sykes, a farmer of this place, fired a shot from a double-barreled gun from a second-story window and put the marauder to flight. As Sykes discovered the form of a man moving in the darkness, he fired again, the shot taking effect in the man's body and he fell to the ground crying with pain.

Sykes summoned assistance and the man, who proved to be Rastus Dumpton, colored, was carried into his home, and after his wounds were dressed, he was locked up. The shot tore a large hole in the negro's chest. His condition is critical. He was about to depart with a bag of fowls when detected.

FREDERICKSBURG CANDIDATES. Warm Content On for the Office of Commonwealth's Attorney.

[Special to The Times-Dispatch.] FREDERICKSBURG, Va., October 14.—The time limit for filing notices of candidacy for office in the coming election in this city has expired. Of the candidates in this city, R. T. Knox, for Treasurer; J. Conway Chichester, for City Sergeant; and Henry Dannehl, for Police Justice, will have no opposition. There is a very lively contest on between G. R. Swift and W. W. Butzner for Commonwealth's Attorney. For the Legislature, C. R. Coleman, Democratic nominee, is opposed by Henry Warden, Republican.

In Caroline county, D. B. Powers, Jr., Democratic nominee, is opposed by J. D. C. Gouldin, Republican. In Stafford and King George counties, R. C. L. Moncreux, the Democratic nominee, has no opposition.

Caroline Circuit Court. [Special to The Times-Dispatch.] BOWLING GREEN, Va., October 14.—The Circuit Court of Caroline, which has been in session since Monday, adjourned at a late hour last night. William Hawkins, colored, who was tried at the last term on a charge of forgery, which trial resulted in a hung jury, was again tried at this term, the jury finding him not guilty. A case against Aaron Godfrey for malicious cutting was continued until the next term of the court.

The grand jury failed to indict George Tyler, Richerson, who was charged with shooting his wife. Richerson was discharged.

NEGRO SMASHES STORE WINDOW

Petersburg Police Give Chase, But Shots Go Wild and Fugitive Escapes.

GREAT MOTOR-BOAT RACE

The Appomattox River to Present a Lively Appearance on Next Saturday.

The Times-Dispatch Bureau, 109 North Sycamore Street, Petersburg, Va., October 14.—Using a big hickory club for the purpose, a negro thief this morning shortly after midnight smashed in one of the glass show windows of Lavenstein Brothers' store, at the corner of Sycamore and Franklin Streets, and made off with a suit of clothes. The club made a huge hole in the glass, and the noise of the crash was heard for some distance.

A citizen of Dinwiddie, on the way to his hotel, happened to reach the corner just as the glass was broken, and got a good view of the thief, but, being unarmed, did not care to attempt to arrest him. Police Officers Avery and McGee were about fifty yards away when the crash occurred, and at once ran to the spot, but the negro was then in flight. The officers gave pursuit. Mr. Avery firing twice at the fugitive on Franklin Street and four times in the race down Adams Street, failing, however, to hit him. The thief dropped a portion of his booty in his flight. This is the fourth or fifth time within the past year or two that the Lavenstein Brothers' window has been thus smashed in, and the belief is that the same man did the work in each case.

A wanted for Allocated Forgiven. Wanted for Allocated Forgiven. A young man named D. A. Chesterman, of Richmond, on the charge of uttering a forged check. The check, purported to be signed by M. P. Andrews and Company, architects of this city, was for \$10, and was drawn in favor of Chesterman. The latter went to the tailoring establishment of Walter E. Eanes, where he ordered a suit of clothes. Mr. Eanes required a deposit of \$5 for the suit, and cashed the check, retaining the \$5 and returning \$5 to his patron. Subsequently Mr. Eanes went to the office of Andrews and Company and asked if they had cashed the check. They replied in the negative, and pronounced the check a forgery.

Saturday's Motor-Boat Races. Eighteen motor-boats have been entered for the race to take place on the Appomattox River on Saturday afternoon, under the auspices of the Petersburg Motor-Boat Club. The event is expected to prove a very interesting one, and may be the forerunner of annual races of the kind some very fine and fast motor-boats are owned in Petersburg. The race is to be over a course of ten miles, going and coming. The handicap will be arranged so that the boats will come back to the starting point very close together.

An Erroneous Report. The report recently sent out from this city that the bronze figure of a soldier at the base of the Pennsylvania monument unveiled in May last at Fort Mahone had been somewhat defaced.

Negro Shot in Dinwiddie. A difficulty occurred last night at the Camp Manufacturing Company's camp, near Ironsboro, in Dinwiddie county, between two negroes, George Parker and Charles Artis, in which the latter was shot in the abdomen. Artis was brought to the Petersburg Hospital this morning, where an operation was performed and the ball removed. He is considered a dangerous one, but Artis may recover if no complications develop.

Retail Merchants Met. The annual meeting of the Retail Merchants' Association, of Petersburg, was held in the Chamber of Commerce to-night, and the following officers elected for the year: President, G. P. Peterson; Vice-President, T. Stanley Beckwith; Treasurer, R. E. Gill; directors, the above officers and E. C. Kent, Moses Lavenstein, E. H. Titmus, W. H. Wilcox, J. O. James, L. A. Rosenstock, George Harrison, J. I. Joyner and W. M. Rucker.

Thomas Beall, of Greensboro, Indorsed by the Bar for the Position.

[Special to The Times-Dispatch.] GREENSBORO, N. C., October 14.—It is currently rumored here that Jones Fuller, of Durham, State solicitor of this judicial district, has tendered his resignation to Governor Kitchin, to accept the position of general counsel of the United Drug Company, with headquarters at Boston.

Thomas Settle Beall, a young lawyer, and here a Democratic politician, who has already secured indorsements to Governor Kitchin from practically the entire bar of the district for the appointment.

News Came as Surprise. The news that Solicitor Fuller would or had resigned, came as a complete surprise to the other attorneys here, who were generally considered aspirants for the position at the Democratic nominating convention next year. Mr. Fuller was elected last year to fill the unexpired term of Solicitor A. L. Brooks, who resigned in order to run for Congress.

The term expires next year, and the new appointee will have but a short term before having to face another nominating convention. The position in this district formerly was a splendid paying one, said to be the best in the State, but the establishment by the last Legislature of "records" courts in Durham, Greensboro and High Point, has largely decreased the emoluments of the office, without decreasing the heaviest and most responsible part of the labor.

Dead in Roanoke Saloon. [Special to The Times-Dispatch.] ROANOK, Va., October 14.—C. A. Ruble was found dead in R. B. Dillard's bar-room under suspicious circumstances. He came into the bar-room with another man named Lockett and asked for a drink, which was refused him. Later he was found dead in the rear part of the bar-room. He had some bad bruises on his head, but the police are inclined to believe that his death was caused by hard drinking. He was a member of the Steam Show-Boat Union, Masons and Odd-Fellows.

MAMMOTH MEETING FOR BETTER ROADS

Seven Hundred Voters of Spotsylvania Gather at Courthouse and Advocate Bond Issue.

Would Vote \$60,000.

[Special From a Staff Correspondent.] SPOTSYLVANIA, Va., October 14.—The good roads were reached a crest at the meeting held here to-day. Certainly no similar gathering held in the State since the movement for improved highways received definite form was marked by so large a gathering, and such widespread enthusiasm. More than 700 voters of Spotsylvania county, representing all classes, gathered in the courthouse, listened to arguments in favor of a district bond issue, expressed their enthusiastic approval of the plan, and then adjourned to the court room where all were served dinner by the Fredericksburg Good Roads Association.
